

Until now, there was only one truly different luxury hotel in Houston. Now there are only two.

The stunning new Guest Quarters-Galleria West is open.

It touches the sky above the Galleria, a compelling architectural statement. The entrance, cloistered in a European-style courtyard, looks out on a private, tree-lined street. Inside, a dramatic, two-level lobby beckons with a huge wall of American elm. A sweeping stairway leads to the

Quarters Court Restaurant & Lounge. And there are no rooms.

Guest Quarters—Galleria West stands ready to serve you as only the classic Guest Quarters—Post Oak could until now. With suites only. Each with an elegantly appointed living room, full

dining area and separate bedroom.

All for the price of but a single room at other fine hotels.

So even if you're only in town for the night, you may enjoy more space and more comfort than ever before. Without paying extra for the privilege.
